ACTIVITIES UNDERTAKEN

TRAIL CLEARING

Our main focus was in the Carson Iceberg Wilderness, once again headed up by Mike Arkell. Our club covered just over 240 miles of trail clearing and maintenance for 2010.

Trails Worked on: High Trail, Low Trail, River Trail, Grays Crossing, Poison Flat, Upper and Lower Fish Valley, Corral & Coyote Valley, Four Mile Canyon, Wolf Creek and Bull Lake Trail, Murray and Golden Canyon. A joint effort by our club and the Forest Service resulted in a new trail installed with trail markers from Coyote Valley to Long Valley

SODA SPRINGS GUARD STATION

In 2010 Joe Cereghino, owner, little Antelope Pack Station packed in the poles and we finished the round pen with horizontal poles three rails high and installed gates to finish the job. For 2011 we will finish the work on the pasture fencing which has been neglected for years. www.littleantelopepackstation.com
